

Dear table tennis community,

It is great to see the table tennis community back in action! The Auckland Table Tennis Association has resumed stadium keyholder membership access, casual table hire, Club play, development coaching, and school bookings. In July 2020 we look forward to resuming Interclub, tournament play, and the School Holiday Coaching programme.

### **Tables in Communities project**

The Auckland Table Tennis Association has undertaken a major project. Table tennis is a popular sport in the Auckland region, and is growing rapidly, however people are not always able to access central facilities. The Tables in Communities project links table tennis equipment with technology and a comprehensive development coaching programme.

The Tables in Communities project will grow community participation by putting table tennis tables, bats, and balls into community indoor and outdoor spaces and supporting those tables with localised programmes. The project includes an innovative approach that uses the FREE Seekapong app to link players with table tennis tables in public spaces and places and with fellow members of the table tennis community. Dinyar Irani is the Tables in Communities Project Manager. For more information on the Tables in Communities project [click here](#).

Download the FREE Seekapong app today, join the table tennis community, and go in the draw to win awesome prizes from product sponsors such as Rialto Cinemas and Domino's pizza!

[Download](#) Seekapong from Google Play

The Association is indebted to Foundation North for providing funding towards the project – thank you Foundation North!

### **Basic hygiene measures**

Please remember, it is still important that we keep the basic hygiene measures, including washing your hands and coughing or sneezing into your elbow. The Auckland Table Tennis Association is helping people to keep track of where they have been by displaying the NZ COVID Tracer QR code poster. You can download the NZ COVID Tracer app at this [website](#).

Have a great week!

Yours sincerely,

Shane Warbrooke
