

Dear table tennis community,

### **Table Bookings at Alert Level 2**

Auckland will move to Alert Level 2 with no extra restrictions at 11.59p.m. on Wednesday 23 September. From that point in time gatherings can be held with up to 100 people.

As a result, from Thursday 24 September we will discontinue the table booking system at the Auckland table tennis stadium. Stadium keyholders will have 24-hour access to the Auckland table tennis stadium. Table bookings will revert to “first come first served”. There will be 19 tables set up. All tables will be directly under lights. Stadium keyholders must use their personal key in order to turn on lights and to assist with contact tracing requirements. As always, stadium keyholders must not let anyone else use their personal key.

There will be staff in the Auckland table tennis stadium office between the following hours to assist with general enquiries and casual table hire:

Monday – Friday: 10.00a.m. – 7.00p.m.

Saturday – Sunday: 12.00p.m. – 5.00p.m.

Please note the following bookings that affect table availability at the Auckland table tennis stadium:

- 2020 October School Holidays Coaching programme: Monday 28<sup>th</sup> September – Friday 2<sup>nd</sup> October, all tables booked from 9.00a.m. – 12.00p.m. and from 1.00p.m. – 4.00p.m. every day
- The Players’ Domestic Table Tennis Championships 2020: Saturday 3<sup>rd</sup> October – Sunday 11<sup>th</sup> October, all tables booked from 8.00a.m. – 9.30p.m. every day

### **Stay Safe at Alert Level 2**

When holding a larger gathering we are still required to maintain hygiene standards, including washing your hands and coughing or sneezing into your elbow. Importantly, stay home if you are sick. Get tested if you have cold or flu symptoms. Keep track of where you have been and who you have seen.

### **Contact Tracing at Alert Level 2**

Legally we must record attendees to make sure contact tracing can happen if needed. The Auckland Table Tennis Association is helping people to keep track of where they have been by displaying the NZ COVID Tracer QR code poster. You can download the NZ COVID Tracer app at this [website](#).

There will also be the opportunity to sign-in to the Hello Club Visitor Log via an iPad, or manually on a sheet of paper.

### **Changing Rooms, Showers, and Upstairs Lounge**

The changing rooms, showers, and upstairs lounge will remain closed until further notice.
